

PRESS RELEASE FOR IMMEDIATE DISTRIBUTION

December 30, 2023

2024 Pedigree Stage Stop Sled Dog Race Extended Date for Race Entry.

With low snow conditions in many parts of North America, race organizers have extended the race entry deadline for the 2024 Pedigree Stage Stop Race to **January 10, 2024**.

“Given that many mushers have dedicated a tremendous amount of time and energy preparing their teams for this racing season, we have extended our entry deadline to any mushers who may be looking for an alternate venue to run their dogs. We have the organization in place and a great venue where mushers can run their teams on beautiful trails and be around other mushers and lovers of the sport. Even teams who have not specifically trained for our format can perform well and have a positive experience.
